Betmar Golf Club Overview

Betmar Golf Club is a dedicated golfing community for adults aged 55 and older. It provides residents with a welcoming environment to enjoy the sport and participate in club activities. The club is committed to maintaining a fair and consistent fee structure; please note that all golf fees are non-refundable.

Betmar Golf Club Membership Types

Betmar Golf Club has two membership options. All members are required to follow both the Betmar Golf Club Rules and the specific guidelines for Limited Social Memberships.

Full Membership

The Full Membership provides members with access to all activities and events sponsored by the Betmar Golf Club. Participation in these activities may require payment of associated fees.

Included Events and Activities

- All sanctioned leagues, such as the Ladies League, Men's Friday League, and Saturday Skins.
- All non-sanctioned golf groups, including the Quarter Boys, Nickel Boys, and any other groups playing together.
- Special functions organized by Betmar Golf Club, such as monthly breakfasts, Night Golf, and Couples League. This includes any event requiring an additional fee, regardless of the starting time.

Membership Responsibilities and Privileges

- Members must sign in on the White Members Sheet for each set of 9 holes played each day.
- Golfing is permitted anytime from dawn to dusk, with the requirement to sign in for every 9 holes played.
- Golf carts may be registered by paying the annual Trail Fee.
- Membership renewal is required annually by January 1st.
- Members can and are encouraged to attend all Golf Membership meetings, which are held on the last Monday of each month. The specific time, date, and location will be posted in advance.
- Punch cards for guest fees are available for purchase at the Starters Desk.
- Members may invite guests to join them for golf; the member must accompany their guests, even if they are not playing themselves.

Limited Social Membership Details

The Limited Social Membership is designed for golfers who do not intend to play frequently throughout the year. If you anticipate golfing more than 21 times annually, this membership may not be the most cost-effective choice, as the accumulated daily fees would exceed the cost of a Full Membership.

Membership Restrictions and Guidelines

- Golfing is permitted only after 11:00 AM; play before this time is not allowed under this membership.
- A daily fee of \$25.00 must be paid each day you golf. Payment should be made to the starter on duty, or you may place your fee in the guest envelope and deposit it at the counter.
- Each day you golf, you must sign the blue limited social membership sheet (signing is required only once per day), as well as the White Member Sheet for every 9 holes played that day.

Additional Benefits and Requirements

- You may register your golf cart by paying the Trail Riding Fee.
- Punch Cards are available at the Starters Desk to cover your daily fee or the fees of your guests.
- Your Limited Membership Card must be presented each time you sign in to golf.
- All Limited Social Members are encouraged and permitted to attend the monthly golf membership meetings, held on the last Monday of each month.

Guest Policy

- You are welcome to have guests join you for golf; each guest must pay the \$25.00 guest fee for the day and sign in on the green guest sheet once per day.

Participation in Club Activities

- Limited Social Members may participate in any golf activities that begin after 11:00 AM. The \$25.00 daily fee still applies for these activities.

Limited Membership Option for New Members

The Limited Membership is a practical choice for individuals who are moving into Betmar between September and December. When choosing this membership, new members will pay a one-time initiation fee in their first year, as well as the applicable cart fee. After that, only a \$25.00 daily fee is required for each day of play. It is important to follow all outlined restrictions associated with the Limited Membership.

Once membership sales for the following year become available, Limited Members have the option to upgrade to a Full Membership by paying the annual fee. With Full Membership, members gain the benefit of playing golf at any time, free from the restrictions applied to Limited Membership.

This Limited Membership option is ideal for those who wish to avoid paying both the initiation fee and annual fee for just four months of golfing. However, those who join before September will be required to pay both the initiation fee and the annual fee for the remainder of that year.
