Meet Brandy Theel!

Our Part-Time Bookkeeper

Please join us in welcoming Brandy Theel to the Betmar Acres office team! Brandy has been an excellent addition to our staff, bringing a wonderful combination of bookkeeping experience, adaptability, reliability, and a genuine willingness to learn.

Brandy joined our team because she loved the energy of the office and could picture herself fitting in and working well with everyone. With five years of experience in APM bookkeeping, along with administrative experience helping small businesses manage their day-to-day financial and operational needs, she brings valuable skills to her role. In addition to her bookkeeping responsibilities, Brandy is always willing to lend a hand at the front desk when needed and take on additional tasks to help keep the office running smoothly. She approaches every assignment with care and precision, learns quickly, and is eager to continue developing her skills so she can take on even more responsibilities.

One thing Brandy enjoys most about her workday is finishing her task list knowing everything has been taken care of. She also appreciates the friendly atmosphere at Betmar and says one of her favorite things about our community so far is how helpful, kind, and respectful everyone is toward one another.

A Little More About Brandy

Brandy has quite an interesting story! She moved more than 20 times before graduating high school, so she certainly knows a thing or two about adapting to new surroundings. She and her husband have been together for 12 years and have three children. Their family enjoys movie nights, game nights, cooking together, and occasionally hunting for little treasures at antique malls.

In her free time, Brandy enjoys browsing thrift stores, reading, coloring, and making jewelry. Her favorite way to unwind after a busy day is spending time with her kids while they play games or color, all while listening to music from the '80s. If she could travel anywhere in the world, she would choose Scotland to experience its beautiful scenery in person.

Her favorite quote is "Just keep swimming!" from *Finding Nemo*—a fitting motto for someone who embraces new challenges and keeps moving forward. Brandy also believes in celebrating the little things, whether that means treating herself to coffee at a bookstore or setting aside a little spending money for a visit to an antique store.

We are so happy to have Brandy as part of the Betmar team! Her positive attitude, adaptability, attention to detail, and eagerness to learn have already made her a valuable asset to our office. Please join us in making her feel welcome as she continues growing in her role and getting to know our wonderful community!

CHORUS

The Betmar Chorus is hard at work preparing for the upcoming Christmas Concert. We are anxiously awaiting the return of many of our Chorus members to fill out the beautiful sound we make when our voices are blended. Even with the return of our members, we find we need more Sopranos and Altos to complete our group!

Ladies, if you enjoy singing, please consider coming to help fill these two sections. Men, we also need you to help in the tenor and bass sections. I always say, the more the merrier.

We rehearse on Monday afternoons starting Oct 12th, 2026, from 12:30 to 2:30 in the Annex behind Clubhouse 2. Our two directors, Daniel Jenks and Dave Hafey lead us through the songs they have chosen for the occasion for which we are performing. We are lucky to be accompanied by two wonderful pianists, Wilma Klak and Janet Schaffer. Please come and join!!!

Our first performance will be the Christmas Concert and the Lighting of the Christmas Tree. It will be held on December 6 at 7:00 p.m. in Clubhouse 2.

It is a great way to start Christmas Festivities in our park. Picture it: the chorus singing beautiful songs while a light snow falls outside the windows. Wait! That must be from the Hallmark movie I watched last night. We don't have snow in Florida! We would love to have you come and enjoy the music.

We hope to see you there!

Thinking about selling your home in Betmar Acres?

Douglas Baker and Fran Lancaster with LPT Realty are here to make the process easy, comfortable, and built on trust. We specialize in helping 55+ homeowners in Zephyrhills sell with confidence—without the stress or guesswork.

Our approach is simple: price your home right from the start so it attracts real buyers and sells in a timely manner. While some agents may suggest a higher price to win your listing, we believe honesty gets you better results. Overpricing can lead to delays and missed opportunities—we help you avoid that.

With friendly guidance, local expertise, and proven marketing strategies, we'll walk beside you every step of the way. Whether you're downsizing or starting a new chapter, we're here to help you move forward with peace of mind.
