

CARPORT CONCERTS CLUB Member Handbook

Club Mission: Music is the language of God and brings people together in love. Carport Concerts Club will bring Betmar neighbors together to dance and make merry; to celebrate life in our beautiful community fostering love, peace, and harmony across Betmar Acres with local music and each other..

Club Purpose: To support local, professional musicians from outside the park with an unique, private venue and give Betmar and new sound. Concerts are open to Betmar residents and their guests only.

Club Funding: Dues are \$25/pp for the year and DUE IN APRIL. A suggested donation of \$5pp will be collected from non-members (\$10/pr). Also a 'Share the Wealth' raffle will be conducted during the concert. The club reserve is \$2500. Annual contribution towards Betmar Acres will be determined at the ANNUAL meeting in April.

Club Meetings: MONTHLY meetings are on the FIRST THURSDAY at 4pm to discuss upcoming concert logistics and tend to club business. The APRIL meeting doubles as the club's ANNUAL meeting and ESTABLISHES OFFICERS, determines Betmar's contribution, and DECIDES on next season's LOCATIONS. A Quorum of 5 will constitute meetings.

Concerts: Concerts will be the SECOND Thursday from NOV - APR. Concerts are 4-6pm OR 3-6pm.

Musician/Bands will be contracted by the club and submit all forms as required by Betmar Owners, Inc.

Officers and members will facilitate concerts with pre-concert advertising, set up, membership promotion, traffic support, money counting, fundraising efforts, and dancing! .

Carport Hosts: Carport hosts provide power and water for the band, carport for set up, and driveway for dancing.

Carport Hosts have a vital role in our club's mission and purpose. The Carport Concerts are PARKWIDE events and proven to be filled to capacity. Understandably, some places are better situated. LOCATION MATTERS.

There are many others who would love to host a concert in their carport. And our goal from the beginning was to share the love, peace, and harmony by bringing carport concerts to ALL of Betmar. So we welcome different suitable carports for our 'smaller' concerts (Nov and Apr).

CARPORT LOCATION REQUIREMENTS: New carport locations must support approx 50+ carts and be approved by majority vote.

CARPORT HOSTS REQUIREMENTS: Carport hosts nominate their location to be added to the mix when they become members.
