

Betmar Computer/Tech Club Minutes April 2, 2024

Meeting called to order by Mike Herman at 1:00 PM, 6 people were present.

Secretary's report Minutes were read by Diana Robinson and accepted.

Treasurer's report Jim Kollodge reported that we have \$974.40 in checking and \$1,024.11 in reserve.

Membership Report - Ethel Austhof reported we have 28 members

Program/Education Report Mary Ann Gifford provided a handout of the classes that were taught and how many people attended those classes. This was compiled from the sign in sheets at each class.

Old Business Mike reported that inventory has been submitted. If an item is not worth \$500 or more you don't have to include in the inventory. We discussed the need to come up with more and better communication options with the membership. Mike said he has a list of about 15 main vendors he would like to get to come to the tech fair next year.

New Business We discussed the possibility of changing the meeting time next year to see if we can get more member participation. We discussed and brainstormed about possible future class ideas. Hearing aids and streaming are 2 ideas we can try to include next year. We also need to try and come up with the some ideas for bringing in outside people so the same people don't have the burden of teaching all of the classes.

All board members signed the Oath of Office and all forms were turned into the club secretary.

Motion was made to adjourn by Pat Villeaux and seconded by Jane Martin.

Respectfully submitted, Diana Robinson, Secretary
