Betmar Computer/Tech Club Minutes
Nov 12, 2024

Meeting called to order by President Mike Herman at 1PM, 7 people in attendance.

Secretary's report None

Treasurer's report None

Membership Report None

Program/Education Report Mary Ann Gifford provided class schedule for rest of Nov and Dec. We discussed and scheduled remaining classes through April 1, 2025.

Old Business Mike said we heard last spring that an overhead projector had been installed. However, we don't see it and don't know the status or if it will happen. Mike will check with the sound guy. Plans to update Betmar History is on hold since there is no group yet to work on this,

New Business The group discussed better ways to get the word out to people in the park about the computer/technology club and what we do. Diana suggested getting permission to distribute flyers to every home in the park. We also discussed plans for the Technology Fair scheduled for January 7th and the process of inviting vendors to come. Some volunteered to contact some of the vendors and see if they will come and have them fill out the vendor application. Mike is putting together a nominating committee. Jim Kollodge reported that the new finance chair, Jane Roker, seems to want the computer club to do finance changes etc. which have not been done that way in the past. Jim just making is aware.

Meeting was adjourned by President Mike Hernan,

Respectfully submitted, Diana Robinson, Secretary
