

Betmar Computer/Tech Club Minutes Jan 7, 2025

Meeting called to order by Mike Herman at 1:00 PM. 7 people were in attendance.

Secretary's report: Minutes were read and 1 correction was made.

Treasurer's report: Jim Kollodge gave information from the latest record from Nov 2025. Opening checking account balance was \$974.40. Closing checking account balance is \$927.85. Reserve balance is \$1,024.

Membership Report: Ethel reported we have a total of 19 members, 6 new and 13 renewals.

Program/Education Report: Next week Mac McKinnon will come and talk about how to use the QR code to report a problem in the park to him concerning facilities. Diana will use the remaining time to teach about Apple iReminders and iNotes. At 2 we will have troubleshooting. Feb 18th Bruce can't make it. Some changes are being made to the remaining class schedule. Once made Mary Ann will have posted to our webpage.

Old Business: Mike checked on the projector. Betmar bought a portable projector. They are trying to figure out who will be responsible for it. The Tech Fair was cancelled. There was not enough vendor interest.

New Business: New Comer's fair is Jan 9th from 11-3. Be there at 11:30. We will try for a Tech Fair again next year, perhaps Feb or Mar. We need to get commitments ahead of time so we know for sure if we have enough interest. It seems right after the holidays was a bad time for most of the vendors. We have 7 signs for meetings (5) and future tech fairs (2). Each one taking a meeting sign needs to put it up Sunday or Monday and take down on Tuesday after the meeting. On our webpage, there is a "Questions about your device." Who should that go to? Mary Ann. We want to do a bake sale in conjunction with

the golf club breakfast. Mike will check with the golf club. At February the nominating committee will present the new slate of officers, and in March we will vote.

Diana Robinson made a motion to adjourn and Jim Kollodge seconded. Meeting was adjourned.

Respectfully submitted, Diana Robinson, Secretary

Motion to adjourn (name of motion and seconded)

Respectfully submitted, Diana Robinson, Secretary
