PARK NEWS

President's Letter

For two years now COVID and its restrictions have wreaked havoc with our lives and Betmar. But slowly we are overcoming its effects. Clubs are getting back up to speed slowly but surely. Activities are gaining numbers. I hope that by next Fall we will be up to full speed.

I would like to thank All the Volunteers and our Office Staff who have worked so hard this past year to get us back on course. You have all done an awesome job against the odds. Betmar is back! Betmar Strong!

Elections for the Betmar Board will be March 3, 2022 from 11:00 a.m. to 3:00 p.m. in the Annex. Absentee Ballots are available in the Betmar Office now if you want to pick one up. Please know that we have checked with three lawyers who all say that according to all our regulations and of course, Robert's Rules of Order, write in candidates are allowed for every office. So, choose carefully who you want to represent you next year.

There is also a separate vote on whether our homeowners want to pay \$79.00 each year to cover ever increasing insurance fees and to establish a special fund for Betmar to self-insure for damages to our Common Property.

In addition, there are the HOPA forms that every household must fill out each year to keep us up to date. We need a current record of everyone living in every house. Each and every resident/renter needs to stop by the office with a photo ID and fill out the HOPA form, please. It only takes a few minutes. All the forms are kept locked in the vault in the Betmar Office. If you do not fill out a form, you count against our required 80% being 55+.

Our winter season is drawing to a close and before long our Snowbirds will be packing up and heading North for the summer.

FOR OUR SNOWBIRDS: Besides your general activities of closing up for the summer,

- Have you checked with the Office to see they have your emergency information up to date?
- Have you given someone a key to check your house especially after a summer storm?
- Have you filled out a Dark House form so the Sheriff's Department will check your house while you are away? The forms are available in the Betmar Office.

- Have you cleared your yard so there is nothing to fly around and damage property if we do have one of those BIG storms?

FOR OUR SUNBIRDS:

- Have you updated all your Emergency Information in the Office? I have it on good authority that the Hurricane Committee will be posting information next month in all the clubhouses.
- Have you filled out a form for the Special Needs Shelter this year? The forms are in the Betmar Office.
- Are you ready for all the celebrations that Activities has planned for us here in Betmar over the summer?

Now Walt and I are off to enjoy the various shows being put on by the clubs and the last dinners and fish fries. We are also looking forward to the holiday celebrations, ice cream socials and special events being planned for the summer. You cannot be bored here in Betmar as there is always something going on year-round.

Happy St Patrick's Day – May this old Irish Blessing uplift you.

May the raindrops fall light
upon your brow
May the soft winds freshen
your spirit
May the Sunshine brighten
your heart
May the burdens of the day rest
lightly upon you
And May God enfold you in the
mantle of His love

NEW TABLE & CHAIR PROCEDURES

Pre-COVID, the responsibility for setting up tables and chairs for large events was assigned by blocks of streets. The schedule of the setups was hand delivered to the affected homes each month.

Since COVID, a small group of dedicated individuals has been performing these duties. With the pandemic waning, the Betmar Board has decided it is time to reinstitute past procedure in order to spread the work out across the park as we did before.

Beginning with this Bulletin, the assignments for setups will be posted for the present month and the following month. Since Bulletins are no longer hand delivered, the setup schedule will continue to be posted in each week's Coffee News.

FAQs:

1. How do I know which block I am in? The Betmar map with blocks shown is provided as the centerfold of the Betmar Resident Directory (aka, the phone book).
2. What are normal times for setups? The times will be specified in each week's Coffee News article. Most times are scheduled for 8 o'clock. This team does not work on "Betmar Time". The work begins at the specified time (not a minute sooner). You do not need to come early and you should not worry that half the work will be done when you get there. This was past practice and continues to work well now. Many setups are completed in 30 minutes or less.
3. Is this year-round? Though some setups are required during the summer, block assignments apply from October thru April.
4. What is involved? Moving tables and chairs. Setups are limited to Clubhouse 2 and the Annex. Volunteers are shown how to move tables in a manner that is safe and does not require heavy lifting. There is work for anyone who shows up. We currently have men and women, young and old helping out.
5. How will we know what to do? There will always be someone there to guide you. In addition, the more complex layouts are now printed out and are available on the wall in Clubhouse 2.
6. How much of a commitment is this? Assignments are for only two weeks. You are encouraged to support your neighbors during your block's turn, But can always feel free to beg off for any reason. We are like Planet Fitness – A No Judgment Zone.

Of course, it goes without saying that anyone can come and help at any time. There is no penalty for helping the folks from another block. Following are the current assignments.

Table/Chair Assignments by Month	1 st Half	2 nd Half
October	O & P	S
November	W	M & N
December	G & H	E & F

BETMAR CHORUS

It's "March Madness"! Now I know most of you think that March Madness is a basketball term that explains the college tournaments right down to the final four and finally the champions. Well, it is actually the Betmar Chorus, madly trying to put the finishing touches on our Spring Concert. That's right, we are down to the last few rehearsals before we treat you to a wonderful musical extravaganza.

"When is it?" you say. I just happen to know that it will be held March 23, 24, and 25 in Clubhouse 2. The March 23rd program will be a 2:00 p.m. matinee and the 24th and 25th will be 7:00 p.m. performances. The tickets are the bargain price of \$5.00 and will be available from any chorus member as well as at Coffee and at the door. Compare that to the price of basketball March Madness tickets and you will see that we are a much better deal.

The Betmar Chorus has been in existence for the past 50 years! The present and past chorus members celebrated this anniversary on February 27th with dinner, entertainment and salutes to all the founding members as well as current members. It was a really memorable day!

If you would like to join the chorus, we would love to have you in the Fall. The only qualification is the love of music and singing. We have full chorus rehearsal on Mondays from 12:45 p.m. to 3:00 p.m. and sectionals on Wednesdays. The basses and tenors meet from 9 a.m. to 10 a.m. and the sopranos and altos meet from 10 a.m. to 11 a.m. Please consider joining us in bringing the joy of music to everyone.

Marilyn Loding, Secretary

GARDEN CLUB

It seems like forever that we have been dealing with the Covid19 outbreak and all its variants. However, that has not dampened the spirits of the Betmar Garden Club.

Getting outside and working in the gardens has been great therapy for our members. We know we must be doing something good from all the compliments we get on the gardens. However, our gardening numbers are small and we really need to find the "hidden" gardeners that are living in our park. If you enjoy getting outdoors and playing in the dirt, we could use the help. It is not laborintensive work, just pulling a few weeds here and there and encouraging our flowers to grow. There are a few ways you can help us. One is adopting a garden that you would tend on your own time. Another is helping on our work sessions usually held on Wednesdays from 8:30 to around 10ish. We meet at Apache Junction, and decide where we are needed then head there to tend to the needs of the garden. I particularly like this session because I get to visit with all my gardening friends.

We do have a business meeting once a month which is held in Apache Clubhouse. The meetings are the first Monday of the month at 9:00 a.m. We encourage all our gardeners to attend this usually brief meeting to catch up on all the gardening needs of our park.

So again, if you would like to check out the Betmar Garden Club and hopefully join our ranks, please contact Marilyn Loding at 810-837-0520 and help keep our Betmar Gardens in pristine condition.

HOSPITALITY CLUB

The hospitality club met on February 3rd, 2022. The members spent February's meeting completing the preparation of the valentines. Our members all helped and got the valentine's delivered to all of Betmar. This is the one function that the members do and it is very rewarding to see their smiles. We hope everyone had a wonderful Valentine's Day. The annual valentines card party was held on February 10th in clubhouse 2. Many thanks to all our members that helped serve and deliver over 90 prizes during the day. Many thanks to Linda Smith and Lorna Bradstreet for representing the hospitality Club at the annual BVC function held on January 22nd, 2022. It was exciting to meet new residents and talking with them about what they like to do and also how hospitality is involved. Welcome to Betmar, participate, volunteer and enjoy. Our next meeting of the hospitality club will be Thursday March 3rd, 2022 at 1:00 pm in Clubhouse #3 at 1 pm. We always welcome new members.

SHUFFLE

IT'S SHUFFLEBOARD "MASTERS" TIME

Betmar will host the Central District Masters starting Thursday, March 17th and running through Saturday Morning. The District's top eight Players in each division will be here to vie for six Championships; Amateur Men and Women and the same for State Amateurs and Pros. Our Shuffle Club has several qualified to play, come root them on!

It takes many volunteers, prior and during the event, to accommodate everyone and keep things running smoothly. Media, participants and state shuffle officials and fans from all over Florida will be visiting Betmar throughout this prestigious three-day event. This is an opportunity for all shuffle members to help keep things running smoothly while being in the company of the best shuffleboard players in the state. A volunteer signup sheet will be posted in the clubhouse. Please sign your name and phone number and someone will contact you. There is lots to do. Everything from simple maintenance to equipment care to assisting with food preparations, desserts and serving daily luncheons throughout the tournament. Your help will be greatly appreciated.

ELECTION OF OFFICERS.

Our next board meeting will be held on Wednesday, March, 9th, at 9:00 am, followed by the general meeting at 10:00 am. Election of officers will be held at that time. All members are encouraged to attend.

TENNIS/PICKLEBALL

It's nice to see our club's new members at the courts these days. There were 39 new pickleballers that joined the clinic. Approximately 30 of them have joined the club. The clinic was run by Darlene Paine and she had at least 10 member helpers each day. The success was due to all the help and Darlene's expert leadership. Welcome to all the new members!

A clinic was held February 23rd, and 24th by Wayne Walden. About 30 members took advantage of his expertise. He is a certifies level 2 IPTPA pickleball instructor. A lot was learned by all.

The Polk County Senior games will be held March 7, 8, & 9th in Poinciana. Many of our members will be participating in the games. Women's competition is on the 7th, Men's is on the 8th and mixed is on the 9th. We wish them all good luck! Would love to have a cheering session so come join the fun.

The 2nd annual Poker Run will be held March 14 with a rain date of March 15th. It begins at 11:00 behind Apache Clubhouse. Participants will go to each of the 6 host houses where they will pick up a sealed envelope with a card inside. They will be treated to beverages and snacks at each house. They will then return to the clubhouse where they will turn in their six envelopes. Cash prizes will be awarded to the best poker hands. A BBQ will follow for everyone.

Rita Jones, Gary Penfield and Barb Kerr have all been chosen to participate in the US Open which will be held in April in Naples. Good luck to each of them!

The courts have been busy for open play from 9:00am to 11:00am. If you think you might be interested, come by the courts and give it a try.

What-Not Sale Non-Profit Initiative

Each year, toward the end of the What-Not Sale, a small number of Non-Profit groups have been allowed to shop for free. This typically involves a very small number of church or veteran groups, usually recommended by a Betmar resident. While this is a nice thing to do, it invariably leads to confusion depending on how well the details such as what time they can come, who they should see, etc... have been worked out. It is not always timed right to coincide with our departments packing up everything that is left for the Salvation Army.

For next year's sale we will test a new, more coordinated give-away, one that will benefit more local organizations and the amount of packing we do. This initiative has been discussed with our Department Heads, Golf, Acres and Owners Boards and is approved as a one-year trial. Starting now, we will accept suggestions from our residents of local non-profit groups that might like to participate in this give-away that will take place between noon and 1 o'clock on the last of the January 2023 sale. All we need for now is the name of the group, a very brief description of their mission and a contact point.

We will leave this request for nominations open to you until this fall, at which point we will decide whether to announce it to the public or not. This decision will be based on the number of groups nominated from within the park.

Later in the year we will contact the groups and explain the process. At that point they can decide if they are interested. The details will be worked out depending on the number and size of the groups expected to participate. We will control who can come and the time at which they can shop based on how many show interest and the extent to which our merchandise matches their needs.

As of now, there are only two rules:

1. They must be local.
2. They are not a retail business.

Presently, we give away all that is left at the end of the sale to the Salvation Army Central Warehouse for distribution across 2 or 3 counties. With this new approach, more of it could go to small local groups who might appreciate it even more.

Please send nominations to us at:

Bicycling Safely

Bicycling is a good way to get exercise and become familiar with all areas of the park and it seems that more folks are taking advantage of our beautiful streets and pathways. That being said, I'd like to remind riders of a few basic rules of bicycle etiquette that will make riding safer for everyone. First be sure that your bicycle is in good working order, making sure that your headlights and taillights are bright and angled so they are visible. Be sure that you have a bell or horn that gives a loud enough signal to be heard by someone that might be ahead of you on the trail. Second, know and use appropriate hand signals when stopping or turning. There are several good sights on the internet where you can brush up on the rules. Third, in our park bicyclists have first and second priority on our trails, but with privilege comes responsibility. It is a bicyclists responsibility to announce their presence when approaching a pedestrian from behind. This can be done with a bell or horn and should be accompanied with a verbal warning of what you plan to do, i.e. "passing on your left." This warning informs the pedestrian of your presence and where they should move to get out of your way. Remember that we are an older population that is often hard of hearing and that we move slower than we once did. Give adequate warning so the pedestrian can safely get out of your way. By following these simple rules of bicycle etiquette everyone can enjoy traversing the beautiful trails through our park
