PARK NEWS

President's Letter

Betmar Residents,

I want to say thank you for your support in the recent election. Just to let you know about me, my wife, Judy, and I have been married for 53 years. We have raised 3 children and have 6 lovely grandchildren. We are originally from Pennsylvania. We purchased our home in Betmar in 2017 because we liked the idea of owning our own property, and it simply a beautiful park.

I truly believe communication and honesty is the key to getting back to the "Old Betmar." As I stated in my nomination speech, I will make myself available to listen to your comments and input. We all want the same for Betmar. A Community will always have conflicts, but how we respond to those conflicts will determine the quality of life for Betmar residents.

I want to personally thank the Clubs who are working hard to help build up our cash reserves. Volunteers are what make this park so unique. We all need to work diligently to unite the residents of this great community.

My door is always open, the coffee on, if you wish to discuss any issues regarding the future direction of Betmar. My address is 36820 Grace Avenue.

Safe travels to all residents returning to their summer homes ~ see you in the Fall.

Things you Need to Know

On-Line Telephone Directory

As summer approaches, more and more of you will turn to the on-line directory to look up your Betmar neighbors and friends. This is a good time to ask all of you to take a look at your current listings to see if they are accurate. Consider adding your cell numbers and your e-mail address if listings to see if they are accurate. Consider adding your cell numbers and your e-mail address if you'd like them to be included. Remember – the info in this Directory is only accessible by Betmar residents and is password protected.

Photos in Telephone Directory

Do you love being able to match a face with a name? The Betmar Pictorial helps us do that and now we can take advantage of another tool in our on-line phone Directory. A photo can be added to your listing. This is purely voluntary, of course. The only requirement is when submitting a photo of two people (as in a couple) the two faces/heads must be fairly close to one another. For an example of what we mean, feel free to look up Tom & Dee Brown, the Ward's or McKinnon's listings which are good examples.

A button has been created by Barry on the Directory page which you can use to submit your photo. You may also e-mail the photo to Tom Brown at tomdianebrown@yahoo.com or text one to Tom at (603) 978-9250. Standard file formats are acceptable (JPG, BMP, TIF, etc...). Please do not bring photos to the office. If all you have is a hard copy print, contact Tom to have it scanned. PLEASE DO NOT TRY TO CROP OR SIZE YOUR PHOTO – WE WILL DO THAT TO SUIT THE PROGRAM'S SPECS.

Note: Photo will not be used for any other purpose and it can be removed or replaced at any time you desire.

TABLE & CHAIR PROCEDURES

The responsibility for Table & Chair setups is assigned by Block from October to April. With Block assignments no longer in place for the summer, any able-bodied volunteer is welcome to assist in any of the few setups occurring for the next few months. The schedule for any setups will continue to be posted every week in the Coffee News. Please help if you can!

GARDEN CLUB

Officers for the 2022-2023 season are: President, Marilyn Loding; Vice President, Judy Bubar; Secretary, Brenda Moody; and Treasurer, Kathy Downer.

Safe travels to all our friends as they move to their other homes for the summer months. We will miss the Betmar gardeners who are not here for the summer gardening.

"Conversation that was had this early spring between a Betmar resident and a Betmar visitor. Visitor: What landscaping company does Betmar use to have such beautiful gardens? Resident: The 22 gardens are cared for by Betmar Volunteers-all retirees! KUDOS to the Betmar Gardeners".

At the final meeting of the season, President Marilyn Loding thanked the members for the excellent work accomplished this past season. The gardens have been mulched, many plants and shrubs are thriving after the winter freeze, and the club has several new members.

Snowbirds: If you have plants or pots you would care to donate to the Garden Club, please call

Kathy Downer at 315-247-5254 or Judy Bubar at 207-478-3559, and leave a message with your name and phone number. A club member will be happy to make arrangements for one of our members to pick the donation up. Please do not leave the donations in the gardens.

Full time residents: If you are looking for something to do this summer, come to the Wednesday morning work bee. The Gardeners meet at 8:30am at Apache Junction. For more information call Vice President, Judy Bubar at 207-478-3559.
