HELLO EVERYONE!

THIS IS Denise Rader IN COMMUNICATIONS TRYING OUT A DIFFERENT FORMAT FOR THE SUMMER CALENDAR AND BULLETIN COMBINED. NORMALLY NO BULLETIN AT ALL IN SUMMER.

IF THERE IS ANY EVENT YOU WANT TO PROMOTE THAT I DO NOT KNOW OF, PLEASE SEND ME AN EMAIL WITH WHAT YOU WOULD LIKE ADDED TO THE JUNE BULLETIN.

THIS ONE HAS NO VENDOR ADS, ONLY WHAT CLUBS/ACTIVITIES/EVENTS ARE HAPPENING FOR US SUNBIRDS!

HOPE THIS IS SOMETHING YOU ENJOY AND CAN TEAR OUT FORMS, SCHEDULES AND TACK ON YOUR REFRIGERATOR FOR EASY ACCESS.

PLEASE HAVE A SAFE SUMMER NO MATTER WHERE YOU GO OR WHAT YOU ARE DOING.

THANK YOU FOR YOUR CONTINUED SUPPORT, IT DOES MAKE MY WORK MUCH EASIER!!

We are pleased to introduce the newest member of our Betmar Office team, Shacora 'Cora' Hicks, who has recently joined us at the front desk.

Cora was previously in the medical field and was inspired to pursue this new career path by her children and her determination to build something meaningful for herself and her family. She brings with her experience working with the elderly and truly enjoys meeting new people and helping others. Cora is very organized, communicates well, and has already shown herself to be extremely polite and professional.

In the few weeks she has been with us, Cora has been a wonderful addition to the office. She has been picking things up quickly and has already proven to be a great asset to our team.

Outside of work, Cora enjoys cooking, reading, and spending time with her family. One day she hopes to open her own doggy daycare. When it comes to relaxing, she enjoys settling down with a good book and a hot bath. If she could travel anywhere in the world, she would choose Mexico, as she has never been and thinks it sounds like a wonderfully relaxing destination.

Her favorite quote is: "Never count yourself out." She also enjoys celebrating small wins and milestones with a little reward or treat along the way.

Cora has shared that one of the things she enjoys most about Betmar so far is how friendly everyone has been and how many have taken the time to say hello.

Please join us in giving Cora a warm Betmar welcome when you see her at the office!

We are pleased to introduce Bridget Evans, who has recently joined the Betmar Office team as our part-time bookkeeper.

Bridget was inspired to join our team because Betmar provides an opportunity for her to use her skills in a role that is close to home while offering the flexibility of part-time hours. She brings with her a strong background in training and development, office administration, and human resources coordination, along with degrees in Business Management and Adult Education.

Bridget has already expressed how much she enjoys the welcoming atmosphere, the office staff, and the residents she has met so far. She is looking forward to the variety and challenges of her new role and is excited to contribute to the continued growth and success of our team. Bridget is known for her strong communication and organizational skills, which will be a wonderful asset to the office.

A fun fact about Bridget is that she was named after her Irish grandmother on her mother's side, and she was her grandmother's first grandchild. Her hobbies include yoga, movies, reading, and spending time with family and friends. After a long day, she enjoys relaxing with a nice dinner and a good TV show.

If Bridget could travel anywhere in the world, she would love to visit Alaska and Ireland, especially because of her Irish heritage. Her favorite quote is "Just do it," a reminder that life is short and we should all strive to take opportunities when they come.

So far, Bridget has shared that she really enjoys the friendly people, the wide variety of activities offered in the community, and the beautiful landscape and ponds around Betmar. She is excited to continue learning, growing, and contributing to her new role, and she celebrates small wins by appreciating compliments and positive feedback along the way.

Please join us in giving Bridget a warm Betmar welcome when you see her in the office.
