Secretary report read and accepted

Activities: None at present

Membership: No report

Communications: Carol LaFleche reported that there is a change in the look of the Hole in One and 25 Club Certificates All are up to date She requested Properties Manager Bill Robertson do a weekly update for communications.

Presidents report: Peter brought up the proposed agreement between Acres and Golf Club for discussion and vote whether to accept or not. Motion was made to accept agreement. Discussion was held to determine if this was something the golf club can afford. Bill Robertson contacted Joe Nemeth for clarification. A vote was held and the agreement was not accepted,

Roger Gravengood showed a new piece to be added to the flags to allow people to retrieve their ball from the hole without reaching into the hole. Stated they were donated by the Saturday skins group and would be put on the flags today.

Properties: Bill Robertson gave an update on the courses. Sand is being put down on the blue course in areas that were affected by the pallets Due Energy had pallets. Stated that as soon as sand is spread he will open the Blue Course. They will still have to shut it down while the concrete work is being done. No date set for that. It will also be shut down for the root cutting. No date for that yet either. He gave a schedule of events with approximate time lines for work on the gold course. Gold will not be open until new greens are in and ready to go. Bill also stated that once Blue is completely open they will shut down white to work on the wall on #5 White. Cost of the wall is \$13,500. No date set for that yet. He also stated that once the courses are open they will be shut down once a week for maintenance. There were some questions and statements from attendees. Bill explained that it is the only way to keep the courses in good playing condition. Question was asked about why gold greens were being mowed and Bill explained they had to be mowed to wake up the grass prior to spraying.
