

October

LOTS GOING ON AT BETMAR THIS MONTH — HERE'S WHAT YOU NEED TO KNOW!

Meetings - Its October - Wintertime?

It's that time of year again when we start the Membership and Board Meetings

- **September 29th - 10:00 AM (Following Coffee) Agenda Workshop (Opportunity to get on the agenda for general Meeting)**
- **October 1st - 7:00 PM Owners / Acres Membership Consecutive meetings**
- **October 13th - 10:00 AM (Following Coffee) Agenda Workshop for Board Meeting**
- **October 15th - 9:00AM Board of Directors Meeting**

Hurricane Season Reminder

We just passed the peak day of hurricane season, and we are blessed to report no storms yet. But it's time to:

- ❖ Trim trees and secure loose outdoor items
- ❖ Know your evacuation zone
- ❖ Review your family's emergency plan and supplies
- ❖ For snowbirds are your phone numbers up to date in the office?
 - We just ran into an issue where a resident's information was outdated, and a fast response was very challenging. So, let's make sure your information is up to date, let's help you, better, faster stronger.

Mowing (and Still More Mowing!)

With all the rain we've been getting, the grass just won't quit! Our grounds crew continues frequent mowing of the community's common areas to keep up with the rapid growth.

We want to extend a big thank-you to our staff and grounds crew for their continued hard work keeping the community looking great, especially during this rainy stretch. Speaking of the ground crew what a great response to our recent needs on Kiowa where a tree lay over onto the road late at night and by noon the day, I went by to see the progress and it was all cleaned up, tip of the hat to them.

Drive Around Shout out

Was driving around the other night and I noticed that numerous homes on Dina had edging done on their properties, so tip of that to those that edge their yards. It is said that curb appeal - including such things edging can have 5-7% positive impact on your property. So, tip of hat to Dina Dr.

BETMAR PICTORIAL

Our pictorial is happening soon get the details and sign up. Why do I bring this up here? When we first moved into Betmar we used it basically every night identifying the people we met and really putting a face to a name. So, let's help get this done for everyone.

Volunteering

This topic comes up all the time, and as it should Betmar was built literally by volunteers. Excavation of the courses, cart paths, and more. It's a great chance to socialize with your fellow Betmarians and continue the tradition of making Betmar a great place to live.

A Note on Community Standards

The Maintenance Team is aware that conditions on individual properties can affect our community, and we want the membership to know this is on our radar. We are taking the steps available to us within our limited authority and continuing to explore what additional options may exist to support a community we can all be proud of.

We appreciate the membership's patience and understanding as we work through this within the bounds of our role.

Betmar Chorus is a wonderful organization that helps people express themselves through song. We are directed by two directors, Daniel Jenks and Dave Hafey. Our accompanists are Wilma Klak and Janet Schaffer, both very accomplished pianists. We are looking for people who play other instruments that enhance many of our pieces.

New voices are encouraged to join us in making beautiful music for the enjoyment of all. There are no auditions. All you need is a love of singing. The members are all caring and supporting and help newcomers in any way they can.

❖ Our Christmas concert is on Sunday, December 6th, at 7pm when we have the **CHRISTMAS TREE LIGHTING** at CH2 which kicks off the Holiday Season.

❖ **January 17th at 2pm at CH2 we sing at the Memorial Service that honors those who have passed.**

Thinking about selling your home in Betmar Acres?

Douglas Baker and Fran Lancaster with LPT Realty are here to make the process easy, comfortable, and built on trust. We specialize in helping 55+ homeowners in Zephyrhills sell with confidence—without the stress or guesswork.

Our approach is simple: price your home right from the start so it attracts real buyers and sells in a timely manner. While some agents may suggest a higher price to win your listing, we believe honesty gets you better results. Overpricing can lead to delays and missed opportunities—we help you avoid that.

With friendly guidance, local expertise, and proven marketing strategies, we'll walk beside you every step of the way. Whether you're downsizing or starting a new chapter, we're here to help you move forward with peace of mind.
